

English

This term, our work will be focused around the books 'Five Minutes Peace' and 'Room on The Broom'.

Children will:

- Develop and improve phonic knowledge, linking sounds to letters to write words and captions.
- Experience a range of writing opportunities including; labelling, sequencing, retelling, rhyming and poetry.
- Begin to develop accurate use of capital letters, finger spaces, full stops and some Year 1 common exception words.
- Develop and use correct letter formation in their writing..

During guided reading the children will;

- Develop their knowledge and understanding of the reading content domains.
- Discuss word meaning, retrieve and record information, summarise, predict, make inferences and make comparisons within the text.

Year 1 Autumn 2020

Mathematics

Over the course of this term children will be focusing on number and place value. They will then move onto the four operations; addition, subtraction, multiplication and division.

Children will work to:

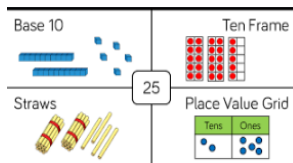

- Secure their counting skills forwards and backwards from any given number.
- Be able to identify one more or one less than a given number.
- Understand the place value of numbers beyond 20.
- Order and compare numbers up to 50.
- Read, write and interpret mathematical statements involving addition (+), subtraction (-) and equals (=) signs
- Add and subtract one-digit and two-digit numbers up to 20, including 0.
- Solve one-step problems involving multiplication and division.

Science

In Science this half term, children will learn about Everyday Materials.

Children will be learning to:

- Recognise everyday objects and identify the material (s) they are made from.
- Identify common characteristics of different materials.
- Group objects by shared characteristics.
- Understand the concept of waterproof.

History/ Geography

History this half term will focus on-Transport.

Children will:

- use a range of historical evidence including timelines, maps and secondary sources to gain knowledge of transport throughout time;
- Compare and contrast mode of historical and modern day transport.

Geography this half term will focus on– Our School.

Children will:

- explore their school and locality;
- gain knowledge of key features of maps;
- look at and understand how to interpret an aerial view map of their school.

Jigsaw

The PHSE this half term will focus on being a class team and a school citizen.
