

Sport premium strategy statement (primary)

1. Summary information					
School	Wychall Primary School				
Academic Year	2017/18	Total Sport Premium budget	£19,480	Date of most recent SP Review	November 2017

2. Desired outcomes		
	<i>Desired outcomes and how they will be measured</i>	<i>Success criteria</i>
A.	Increased pupil participation.	Non specified on previous report.
B.	Improved positive attitudes to health, well-being and physical activities.	
C.	Increased staff confidence & competence in delivering sport & PE.	
D.	Pupil concentration, commitment and self-esteem.	
E.	Positive behaviour, sense of fair play and good citizenship promoted.	
F.	Enhanced communication with parents and carers.	
G.	Strong, sustainable and effective links to the 2012 Olympic & Paralympic Games legacy and values.	
H.		

3. Planned expenditure					
Academic year	2017-18				
The three headings below enable schools to demonstrate how they are using the pupil premium to improve classroom pedagogy, provide targeted support and support whole school strategies.					
i. Quality of teaching for all					
Desired outcome	Chosen action / approach	What is the evidence and rationale for this choice?	How will you ensure it is implemented well?	Staff lead	When will you review implementation?
Increased pupil participation.	To continue to use specialist teaching staff to organise and	To promote healthy lifestyles and teamwork skills as well as experiencing competition enjoyment.	Feedback from competitions and ensuring as many new children are	Deputy Headteacher & School	Termly

	facilitate attendance at many interschool sport competitions.		included. Promotion of results in weekly newsletters	Business Manager	
Increased staff confidence & competence in delivering sport & PE.	To buy in a Specialist Leader in Education to train Teachers so that their knowledge and confidence increases.	To ensure the teaching of PE and other mindfulness techniques are sustainable within school.		Deputy Headteacher	Termly
Pupil concentration, commitment and self-esteem.	Specialist trained sports people to deliver physical activities to every class, offering opportunities for some children to excel, who wouldn't normally in class.	Not all children are studious and this gives them a chance to increase their self – esteem.	Promotion of sport and healthy lifestyles throughout school and links to local sporting venues eg Warwickshire Cricket Ground	Headteacher	Termly
Total budgeted cost					
ii. Targeted support					
Desired outcome	Chosen action/approach	What is the evidence and rationale for this choice?	How will you ensure it is implemented well?	Staff lead	When will you review implementation?
Improved positive attitudes to health, well-being and physical activities	To arrange after-school clubs to cover a selection of sports that will appeal to a large proportion of pupils.	Many of our children and families have life limiting experiences and financial constraints that prevent them from attending after school groups.	Pupils are currently only allowed to attend one after school club to ensure greater attendance. Review type of clubs, how popular these are and investigate new options – in Spring we hope to introduce Yoga	Headteacher & SBM	Termly
Positive behaviour, sense of fair play and good citizenship promoted.	Entry into many inter school sports competitions	Many children excel at sporting activities and competition entry can help to promote leadership skills and a sense of fair play.	Feedback from competitions and we will be looking at identifying Sports Champions to promote these qualities within school.		
Enhanced communication with parents and carers.	To arrange an end of year Sports Event to promote health and wellbeing. Trophies & badges will be purchased & our new Parent Volunteers will be asked to help with event.	With a high percentage of our Yr 6 and Reception children classed as overweight or obese, promotion of healthy lifestyles is key.	Attendance by parents and carers at the event and feedback from them. From these results, consider holding another sporting event in the year.	Headteacher	Annually

Strong, sustainable and effective links to the 2012 Olympic & Paralympic Games legacy and values.	To invite athletes and Paralympians into school to deliver inspiring assemblies and workshops to children.	To continue to promote SMSC values throughout school for all ages, highlighting how important it is to be inclusive.	Feedback for assemblies and to incorporate what the children have learnt into topic work.	Headteacher	Termly

Impact from 2017-18 Sports Premium Spend

- £10,000 of the Sports Premium remained unspent at the end of 2017/2018.
- A full review of PE provision was carried out by the newly appointed leadership team in summer 2018. This led to a new curriculum being developed and was launched in September 2018. This needed to be fully resourced as reflected in the 2018/2019 strategy.
- Pupils were involved in a range of competitions including football, netball and athletics. Sports Day was held in summer 2 with participation of all pupils from Nursery to Y6.
- The SLE was not deployed. Staff did not have PE CPD as all PE lessons were taught by agency sports coaches. From September 2018 all PE is now taught by class teachers. Throughout the year, specialist sports coaches will be used to work alongside teaching staff to develop their confidence, knowledge and skills.
- The school did not have an allocated member of staff overseeing P.E. as this was carried out by a member of the governing body. Full training for a member of staff to become P.E. Lead for the school is planned for 2018/2019.
