

Letter for attention of Year 5

March 26th 2020

Hello everybody!

We hope that you are keeping safe and well.

It's vital keep on learning and staying on top of those basic skills in Maths and English, so we have uploaded some work and lessons for you to complete whenever you can, during each day.

You can see some helpful guides and explanations for Place value on Maths antics at the link below. There are also videos on Place value, ordering / comparing numbers and rounding numbers.

Don't forget to use these websites!

And....
