

## Character Description

This week, your task is to look at the different characters in one of your stories. You could use a story you may have at home or maybe a character from a story on MyOn online.

When talking about your character, try to answer in full sentences and think about the following questions:

- What does the character look like?
- Is there anything special about what the character looks like? Do they have sharp, pointy teeth or a big, fluffy tail?
- Is your character a person? Or is it an animal? Or maybe something else?
- Does your character have a name?
- From the story, what does your character do?
- How does your character feel throughout the story? How do you know?

If you have finished that and want a challenge you could draw or design your own character and tell your grown-ups all about it. You could even try to label parts of your character, too!
