

Sentences

Look at the pictures below. They have the 'oo' or the 'ar' sound in.

In your notebook, can you write what each picture is?

Then can you write a sentence using the words you have just wrote?

e.g.

farm

It is a farm.

Don't forget to put a capital letter at the start of your sentences, finger spaces in-between your words and a full stop when your sentence is finished.

Do one word at a time and read it back to check that you have included all the sounds before moving on to your next word.
