

## Story Ending Prediction

This week, your task is to predict how a story might end. You could use a story you may have at home or maybe a story on MyOn online.

Predict means to think and guess, using clues, about what you think will happen.

When talking about an ending, try to answer in full sentences and think about the following questions:

- What do you think the story is about when you look at the front cover?
- What has happened in the story so far?
- What do you think will happen next?
- Why do you think that?
- Can you use the word 'because' in your sentence?

If you have finished that and want a challenge you could draw the ending and tell your grown-ups all about it. You could even try to label parts of it, too!
