

Sentences

Look at the pictures below. They have the 'ear' or the 'air' sound in.

In your notebook, can you write what each picture is?

Then can you write a sentence using the words you have just wrote?

e.g.

hair

She has black hair.

Don't forget to put a capital letter at the start of your sentences, finger spaces in-

when  between your words and a  full stop  your  sentence is finished.

Do one word at a time and read it back to check that you have included all the sounds before moving on to your next word.
