

<https://youtu.be/EemjeA2Djjw?t=2> sing along to the song counting in 's

<https://youtu.be/amxVL9KUmq8?t=4> sing and dance along to Jack Hartman counting in 5's.

## Counting in 5's

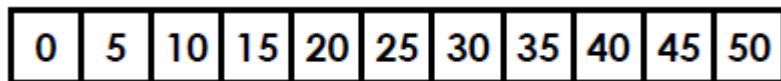

### Fluency

a. Count in 5's and complete the sentence below.

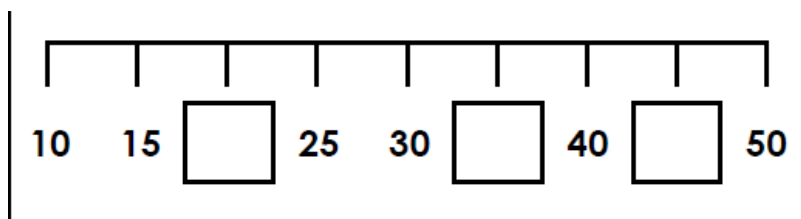

The value of the number pieces is \_\_\_\_\_.

Use the number line to help you.

b. Fill in the missing numbers.

c. Complete the sentences below.

. **Sam has put sweets into jars.**

There are  sweets in each jar.

There are  jars.

There are  sweets altogether.

## Reasoning

Tommy has 5 pencils in each pot.

I have 25 pencils  
altogether.

Is Tommy correct?

Explain your answer to an adult.

0	5	10	15	20	25	30	35	40	45	50
---	---	----	----	----	----	----	----	----	----	----

## Problem solving

Find your way through the maze by counting forward in 5's.

<b>start</b>	10	49	46	27	11
	15	20	38	36	31
	44	25	30	22	16
	41	24	35	40	45
	37	23	19	18	50
