

# Year 2's Weekly Timetable

## 15<sup>th</sup> June- 19<sup>th</sup> June

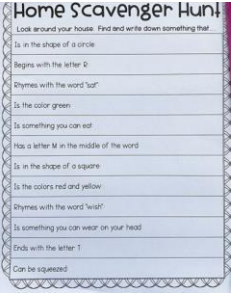

### Message from the Teacher:

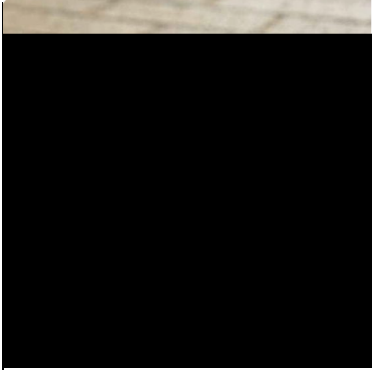

We hope you are all having lots of fun with your families at home. We have been busy looking at all the fantastic lessons on the BBC Bitesize website. We can't wait to see what you think of them when we phone home next week! We miss you all lots and we cannot wait to see you all soon. Stay safe, have fun and look after each other.

<b>Monday</b>	<p><b>Refer to the BBC Bitesize activities (link is on the school website).</b></p> <p>Today's lesson is identifying errors in writing. There are videos and clips for you to watch on the BBC bitesize site. Can you find things that are wrong and can you correct them?</p> <p>Activity 1 – spot the grammatical errors. Read the sheet carefully, are the sentences correct? See if you can re-write the sentences so that they make sense.</p>	<p><b>Refer to the BBC Bitesize activities (link is on the school website).</b></p> <p>Today's lesson is about properties of 2D shapes. There are videos you can watch to help you (you might want to watch the video more than once).</p> <p>Activity 1 – cut out the 2D shapes. Read the description of each shape and stick the right shape to the right description.</p> <p>Activity 2 – name the shape. Can you count the number of sides on</p>	<p><b>Refer to the school website.</b></p> <p>Science- Plants</p> <p>Today's lesson is about what a plant needs to have so that it can grow.</p> <p>Activity 1- complete the worksheet and fill in the sentences with the correct words.</p> <p>Activity2: life cycle of a flower. You have already labelled a plant in school. Can you cut out the pictures from the activity sheet and stick them into the</p>	<p><b>Get active</b></p> <p>Try getting active, without leaving your living room! At school, year 2 love the songs, dances and activities on GoNoodle. There is plenty to do to get everyone up and moving. Create a free account and see your character level up as you get moving and dancing!</p> <p> The picture can't be displayed.</p>

		the shape? Can you also write the name of the shape?	right order?	
<p><b>Tuesday</b></p>	<p>Refer to the BBC Bitesize activities (link is on the school website).</p> <p>Today's lesson is about using question the days of the week within a sentence.</p> <div data-bbox="315 485 602 786" style="border: 1px solid black; padding: 5px; margin: 10px 0;"> <p> The picture can't be displayed.</p> </div> <p>Activity 1: Practise spelling the days of the week. Look, cover, say, write, check.</p> <p>Activity 2: Can you put each day of the week into its own sentence-maybe tell your teacher what you did that day? E.G. On <b>Thursday</b> I went to the park on my bike.</p>	<p>Refer to the BBC Bitesize activities (link is on the school website).</p> <p>Today's lesson is properties of 3D shapes.</p> <p>Watch the slideshow/ videos carefully as they explain what you will need to do then complete the activities in the exercise book we sent home.</p> <p>Activity 1- complete the properties sheet. Looking carefully at the vertices (the point at which 2 straight sides meet), faces and edges.</p> <p>Activity 2-3D shape colouring. Choose one of the sheets. Colour in and find the correct 3D shapes.</p>	<p>Refer to the school website.</p> <p>PHSE Lesson:</p> <div data-bbox="1077 317 1503 571" style="border: 1px solid black; text-align: center;">  </div> <p>These characters are from the Disney film 'inside out'. Each character represents a feeling- Sad, Happy, shy etc...</p> <p>Can you come up with names for the 5 characters? Look at their expressions and colours to help you.</p> <p>Write their names down and the emotion that they represent and write down a time when you have felt like that.</p> <p>E.G. Joy-happiness. I am happy when I am playing with my friends at the park.</p>	<p><b>Why not try making a paper aeroplane!</b> Use the link to help you. See how far your paper aeroplane will go. Maybe you could race your aeroplane with a family member. Remember to decorate your aeroplane so you know which plane is yours. Can you find a way to measure how far your aeroplane flew?</p> <div data-bbox="1536 512 1744 722" style="border: 1px solid black; text-align: center;">  </div> <div data-bbox="1794 464 1951 670" style="border: 1px solid black; padding: 5px; margin: 10px 0;"> <p> The picture can't be displayed.</p> </div>
<p><b>Wednesday</b></p>	<p>Refer to the BBC Bitesize activities (link is on the school website).</p>	<p>Refer to the BBC Bitesize activities (link is on the school website).</p>	<p>Refer to the school website.</p> <p>Geography- study of the local area.</p>	<p><b>Home Scavenger hunt</b> How well do you know where things are in</p>

	<p>Today's lesson is about forming ladder letters correctly. These are the letters 'l u i t j y '</p> <p>Have a go at the activities.</p> <p>Activity 1- practise the long letters on the letter formation sheet.</p> <p>Activity 2- have a go at practising your handwriting. if you can't print off the sheet you can practise writing in your book.</p> <p>See if you can think of some words that have these letter in and practise writing those.</p> <p>E.G: little juice light</p>	<p>That's right. you've guessed it, now we are going to sort shapes.</p> <p>Watch the slideshow/ videos carefully as they explain what you will need to do then complete the activities in the exercise book we sent home.</p> <p>Activity- cut out all of the shape cards. Stick them into the right boxes onto the activity sheet.</p>	<p>Think carefully about where you live. What does your house look like? What is the name of your road called? What is around you house-do you have a park or shops close by? With an adult, have a walk around by where you like and look carefully around you.</p> <p>Activity 1- draw a picture of your house/flat and who lives with you.</p> <p>Activity 2- draw a map (like a pirates treasure map) of your house, road and what is close by-shops, park etc</p>	<p>your house? Have a look at this scavenger hunt and see if you can find the things on the list! Happy hunting ☺</p> 
<p><b>Thursday</b></p>	<p>Refer to the BBC Bitesize activities (link is on the school website).</p> <p>Today's lesson is to create an advert using describing words to help you.</p> <p>Watch the video to help you learn (you can watch it more than once if you need to).</p> <p>Challenge:</p> <p>Can you create an advert (one like you would watch on the TV) to try and sell a fantastic pizza? Use the planning sheet to plan your ideas and</p>	<p>Refer to the BBC Bitesize activities (link is on the school website).</p> <p>Today's lesson is about shape patterns.</p> <p>Have a go at the activities.</p> <p>Activity 1- complete the work sheet with an adult to ask you some questions.</p> <p>Activity 2: make patterns with 3D shapes. With an adult asking you</p>	<p>Refer to the school website.</p> <p>History- George Cadbury</p> <p>Did you know that George Cadbury started to think about chocolate in 1824! He started off with drinking chocolate before making a chocolate bar!</p> <p><b>Activity:</b></p> <p>Can you create your own chocolate bar?</p> <p>It needs a super cool name. It needs a wrapper-which is colourful. The bar needs to be delicious, so that people will</p>	<p><b>Shadow Drawing</b></p> <p>If the weather is nice and sunny today, why not choose some of your favourite toys to draw around? Place them onto a piece of white paper and draw around their shadows. Then you could colour them in and add some detail.</p>

	<p>to think of some good vocabulary to try and make the viewer buy your pizza. Maybe get an adult or a brother/sister to be your actors. Have some fun. Record it, if you can and watch it back with your family.</p>	<p>some questions see if you can complete the 3d shape pattern sheets.</p>	<p>buy it! How much would you sell it for? Complete the activity sheet, for your own, brand new chocolate bar.</p>	
<p><b>Friday</b></p>	<p>Refer to the BBC Bitesize activities (link is on the school website). Today's lesson is a reading lesson about the book 'Spike the Hedgehog who lost his prickles' by Jeanne Willis.</p>	<p>Refer to the BBC Bitesize activities (link is on the school website). Challenge of the week! Have a go at the activities. If you can, write down your answers in your book so you can see how you did.</p>	<p>Refer to the school website. Art – Through the window Today's lesson is about collage-collecting lots of ideas about things that you like so that you can create a piece of art.  Activity - have a look through a toy catalogue or newspaper/magazine and find things that you like. Ask an adult if you can carefully cut out the pictures and stick them onto a piece of paper. Think carefully about why you have chosen it. Do you like the colour, do you like that it makes you happy? This will help you to create a collage about things that you like.</p>	<p><b>Pointillism art.</b> Can you make a beautiful picture using only dots? You will need cotton buds and paint. Dip the cotton buds into the paint to create a beautiful picture of something.</p>
