Circle the answer to the questions:

- | | | |
|--|--------|------------|
| 1.) Which country is bigger in size? | UK | Germany |
| 2.) Which country is the city Berlin in? | UK | Germany |
| 3.) Which country is the city Birmingham in? | UK | Germany |
| 4.) Which City is bigger in size? | Berlin | Birmingham |
| 5.) Which city has a bigger population size? | Berlin | Birmingham |
| 6.) Which city is a capital city? | Berlin | Birmingham |

Circle true or false to answer the questions.

- | | |
|---|---------------|
| 1.) Birmingham has a bigger population size than Berlin. | True or False |
| 2.) Berlin has a bigger area size than Birmingham. | True or False |
| 3.) Berlin's area size is 267.8 km ² | True or False |
| 4.) Berlin and Birmingham are both rural areas. | True or False |
| 5.) Berlin's population size is over double Birmingham's population size. | True or False |
| 6.) Germany is made up of different countries. | True or False |
| 7.) Both Germany and the UK are in the continent Europe. | True or False |

Activity 2: Answers

Use this table with information about Berlin and Birmingham to answer the questions.

Circle the answer to the questions:

- | | |
|--|---------|
| 1.) Which country is bigger in size? | Germany |
| 2.) Which country is the city Berlin in? | Germany |
| 3.) Which country is the city Birmingham in? | UK |
| 4.) Which City is bigger in size? | Berlin |
| 5.) Which city has a bigger population size? | Berlin |
| 6.) Which city is a capital city? | Berlin |

Circle true or false to answer the questions.

- | | |
|---|-------|
| 1.) Birmingham has a bigger population size than Berlin. | False |
| 2.) Berlin has a bigger area size than Birmingham. | True |
| 3.) Berlin's area size is 267.8 km ² | False |
| 4.) Berlin and Birmingham are both rural areas. | False |
| 5.) Berlin's population size is over double Birmingham's population size. | True |
| 6.) Germany is made up of different countries. | False |
| 7.) Both Germany and the UK are in the continent Europe. | True |
