

Supertato

This week, we are investigating the story Supertato. If you have Supertato then ask a grown up to read it to you.

If you don't have a copy, this is what happens... There is an evil pea that escapes from the freezer and starts teasing the other fruit and vegetables in the supermarket. He tapes vegetables up, chases them and isn't a kind friend. Supertato comes to the rescue and helps to save the day! He is named Supertato for being such a super hero potato.

Create Your Own Supertato

Supertato

Home Learning Challenge

Draw a face on a potato to make your own Supertato! Take Supertato around your house to help out with some of the jobs, such as tidying your bedroom and putting away the dishes. What other helpful things can he do?

Use building bricks to make a home for your Supertato. Think about how tall and wide it needs to be to fit Supertato inside.

When making or eating a meal, discuss which parts of the meal are vegetables and which are healthy for your body. You could also make a healthy snack such as fruit salad or a fruit smoothie.

When shopping in the supermarket, can you count the vegetables you put in your trolley? Can you spot any vegetables in the wrong place?

Make jelly and add in fruit such as blueberries. Does your jelly taste like peas, like the one in the story? What does your jelly taste like?

Talk about what your name would be if you were a superhero and what special powers you would have. You could draw a picture and bring it into school.
