

Maths

This week, your task is to look at lots of different mathematical ideas.

Some activities to try are:

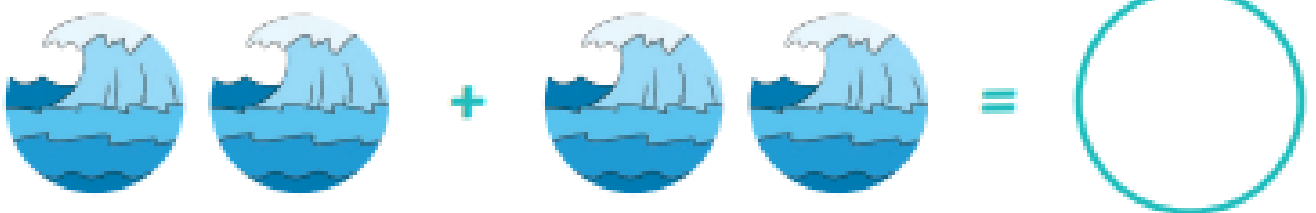

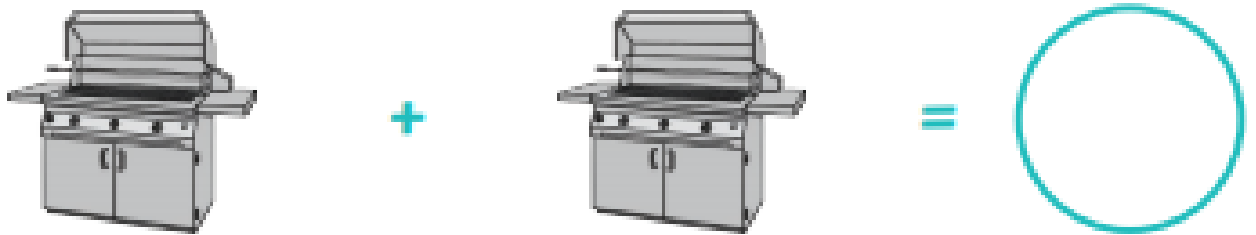

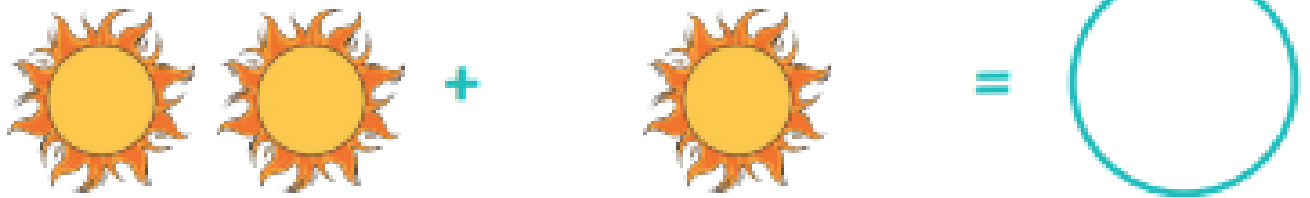

- Dot-to-dot- remember to keep looking at numbers and recognising the different numerals.
- Addition
- Counting
- Size matching
- 2D shapes

Summer Dot to Dot

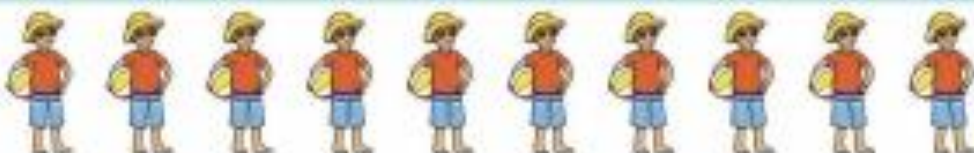

Summer Addition

Write the answers in the circles.

Summer Counting

Write the answers in the circles.

Summer Size Matching

Circle the picture that is the same size as the first picture.

Summer 2D Shapes

Colour

Trace
